The following application preferences were added, modified and/or deleted with PetExec 3.3 Many of these application preferences go along with new features that are included in this release. This is a list of all the application preferences added, modified, or deleted. All of these application preferences can be found in Company Preferences > Application Preferences.

Calendar:

Category	Preference	Status	Values
Calendar	Disable Groomer List View When selected, will disable the groomer list and associated timecard data in one and two day calendar views. Time card slots will show up when a groomer is selected though.	<input type="checkbox"/>	

Dashboard:

Dashboard	Set Default Play Area When selected, the selected play area detail will be shown as the default Play Area Module.	<input checked="" type="checkbox"/>	All
-----------	---	-------------------------------------	-----

Email – Customers:

Added ability to enter number of days before birthday and number of days before temp test to send email.

Email - Customers	Enable Birthday Emails When selected automatically sends out the "Birthday" email which will be sent prior to the pet's birthday based on the number of days entered. If selected and the value is left blank, the email will be send the day of the birth date. *	<input checked="" type="checkbox"/>	<input type="text"/>
-------------------	--	-------------------------------------	----------------------

Email - Customers	Enable Temperament Test Reminder When selected, automatically sends out the "Temperament Test Reminder" email. The email will be sent prior to the appointment date based on the number of days entered. If selected and the value is left blank, the email will be sent the day before the appointment date. *	<input checked="" type="checkbox"/>	<input type="text"/>
-------------------	---	-------------------------------------	----------------------

Miscellaneous:

If all contracts are NOT marked active, they will not be displayed in the owner menu. If this preference is checked, the contracts are NOT shown in the owner menu even if they are marked active

Miscellaneous	Hide Contracts in Menu When selected, the contract details will not be displayed in the owner menu.	<input type="checkbox"/>	
----------------------	---	--------------------------	--

SMS – Customers: Added a new category, SMS Customer to support the new SMS features included in PetExec 3.5:

Category		Filter	
SMS - Customers			
Category	Preference	Status	Values
SMS - Customers	Enable Boarding Reminder SMS When selected, automatically sends out the "Boarding Reminder" SMS.
